

MOON OVER US WORKSHOP

International Moon Day 2022

The poster features a central image of the Moon. Overlaid on the Moon is the text 'MOON OVER US' in large, bold, white letters, with 'ONLINE WORKSHOP' in smaller, blue letters below it. At the bottom, it says 'FOR STUDENTS AGED 8-16' in white outline letters. The background is black. In the top left corner is the Moon Village Association logo, which is a blue circle with the word 'MOON' and 'VILLAGE ASSOCIATION' inside. In the top right corner is the iSTEAM Cosmic Academy logo, which is a white stylized figure with arms raised, surrounded by a circle of dots, with the text 'iSTEAM Cosmic ACADEMY' below it. The date and time 'INTERNATIONAL MOON DAY 2022 17-JULY-2022 17:00 GMT' are written in white at the top. At the bottom, there is a blue banner with white text providing details about the project and contact information.

MOON VILLAGE ASSOCIATION

INTERNATIONAL MOON DAY 2022
17-JULY-2022 17:00 GMT

MOON
OVER US
ONLINE WORKSHOP
FOR STUDENTS AGED 8-16

This event is Organized by iSTEAM, supported by Moon Village Association - National Coordinator of Pakistan

Under the Project iSTEAM Moon Over Us, students aged 8-16, learn about the Moon: Phases and the geographical dimensions of the Moon, and how the Moon looks from different places on the Earth.

Moon Village Association

Event Summary

Workshop Overview & Target Audience

Under the Project iSTEAM Moon Over Us, students aged 8-16, learn about the Moon: Phases and the geographical dimensions of the Moon, and how the Moon looks from different places on the Earth. Students are encouraged to describe the Moon poetically, artistically, culturally, historically and scientifically using STEAM tools. Participants get exposure to intercultural exploration of the Moon and take a statistical pre & post-project survey to analyze the progress towards astronomical aptitude.

Introduction to the phases of moon – 10 Minutes

Do the hemispheres have different moon phases? 15 Minutes

Hands on activity with Micro Observatory. 15 Minutes

Zoom Breakout rooms (help desk activity) 20 Minutes

Location: Online via Zoom

Number of Registration: 52

Partners: [iSTEAM Cosmic Academy](#) , [Cosmic Tribe](#)

Passcode: b0454Xp+

Feedback:

Students and teachers had a great time learning about phases of the moon and learning about citizen science activity related to the moon, using robotic telescope as an online learning tool.
